Mostly As: Suga

You and Suga are so alike, you're sure to be fast friends. You can (and will) nap anywhere, but when you're not sneaking some shut-eye, you're working hard on your passion projects.

Mostly Bs: RM

RM is the best best friend you could ask for—you could spend hours together discussing your favorite books or taking a walk together in quiet contemplation, and you know that you'll always support each other.

Mostly Cs: J-Hope

There's never a dull moment where you and J-Hope are involved—whether you're shopping together, dancing together, or going on crazy adventures together, you'll always be having fun.

Mostly Ds: Jin

You and Jin might get mistaken for quiet, conventional types, but really, you love nothing more than to goof around, meet new people, and try new things—especially if those things are edible!
