# Danny the Digger Learns the ABCs

Aja Mulford

Join Danny, a young mini excavator, as he and his construction site friends take on a new job, and learn the alphabet along the way!

The perfect ABC book for any kid who loves excavators, cranes, dump trucks, backhoe loaders, and mixers, *Danny the Digger Learns the ABCs* is a follow-up companion to *Danny the Digger Saves Christmas*. Kids will love learning their letters as they explore the construction site with Danny. The joyful, full-color illustrations feature large, prominent letters that will help toddlers start to recognize letter shapes while also learning the names of vehicles and tools found on construction sites. A wonderful baby shower gift or birthday present for young children!

# The Self-Regulation Workbook for Children Ages 5 to 8

## A Parent-Child Resource for Engaging in Healthy Coping Skills and Building Connection

Kahlila Robinson, PhD, with Sarah Gerstenzang, LCSW

Both caregivers and children can benefit from this workbook offering helpful guidance on essential emotional regulation skills such as co-regulation, frustration tolerance, expressing feelings, caregiver reflection, and child self-control, all through fun and engaging activities.

Written by experienced child therapists who are parents themselves, this workbook uses the foremost knowledge and methods to help both caregivers and children build strong relationships and instill useful regulation tools in their everyday lives. Follow along with fun activities used to teach caregivers how to realistically adapt to meet children's emotional needs. Activities and guidance include:

- ▶ How to use play and connection as a baseline approach
- ▶ Naming and noticing feelings
- ▶ Guidance for building emotional resilience in your child
- ▶ Emotion regulation strategies to use during tough moments
- ▶ Learning the strengths and limits of a child's brain and nervous system
- ▶ How to use parental reflection to better understand and respond to challenging child behaviors
- ▶ How to set limits and repair ruptures
- ▶ Guidance from theory and research on child emotion regulation

### ABOUT THE AUTHOR

Kahlila Robinson, PhD, received her doctoral training from the Graduate Center, City University of New York. She has specialized training and experience working in parent mental health, as well as with children and families and with adults with relational trauma. She is a supervising psychologist for child and adult psychology graduate students at City College. She lives with her husband and children in New York City.

Sarah Gerstenzang works as a therapist with foster and adoptive families and previously held policy and administrative positions in child welfare. She holds a master's degree in social work from Columbia University. She is the board president of the Adoptive and Foster Family Coalition of NY, and has been a foster and kinship parent. One of her three children was adopted from the New York City foster care system.
