

PATTERN 9

THANKSGIVING TRIFLE

If you're searching for the perfect gift for that special foodie in your life, look no further. Use this pattern to stitch together perhaps the most iconic sitcom holiday food of all time. That special ingredient? Definitely those green peas hiding in one of the layers. Custard? Good. Jam? Good. Meat? GOOD.

TIPS

- + Mark the center of your fabric with a pencil.
- + Stitch all cross-stitches with two strands of floss.
- + Start with the centermost custard layer before moving on to the other (now-classic) layers!
