# THE CHICK AND THE DUCK

PDFs

Best friends come in all shapes, sizes, and sometimes species. This adorable pattern makes a great gift for whoever is the chick to your duck.

## TIPS

- + Mark the center of your fabric with a pencil.
- + Stitch all cross-stitches with two strands of floss.
- + Since the duck is an off-white color, I recommend using a non-white Aida fabric.
- + Stitch the duck first before moving to the chick and letters.
